

GENESIS SEEDS NON-PROPAGATION AGREEMENT

Re. PROSPERA® F1 Premium Sweet Basil
CPVO Application Filing Number: A201703508

THIS AGREEMENT which shall come into force when signed, is made and entered into by and between
Stokes Seeds Inc (Distributor) and _____ (Grower)

THIS AGREEMENT is made for the establishment of a working relationship, in which we can find a mutual benefit to save and protect Genesis Seeds (G.S) intellectual properties.

Upon signing this agreement, “Grower” will be committed to the following terms:

- “PROSPERA® F1 Premium Sweet Basil” seeds, will be supplied to “Grower” only through an approved “Distributor.”
- Genesis Seeds Ltd. Is the sole breeder of “PROSPERA® F1 Premium Sweet Basil” – Downy mildew resistance F1 Sweet Basil.
- “PROSPERA® F1 Premium Sweet Basil” is a proprietary variety, developed and produced by Genesis Seeds Ltd.
- Any use of “PROSPERA® F1 Premium Sweet Basil” seeds and/or plant material derived from them for the purpose of repeated propagation is strictly forbidden.
- Reproduction of “PROSPERA® F1 Premium Sweet Basil” by “Grower” will be a violation of this agreement and will be subjected to damages claim.
- This Agreement will be governed by and construed in accordance with the “Distributor” local Court’s jurisdiction.

I _____(Grower name)

Representing _____ (Grower business name)

Date _____

Fully agree and approve to the above terms.
